4-Bed Maisonette with Communal Pool

€399,000 +VAT

 Paralimni, FAMAGUSTA

This maisonette in Paralimni brings four bedrooms and three bathrooms into 145 square meters of internal space, finished to a modern standard and built in 2026.

The layout spreads living across two levels, giving the four bedrooms separation from the main living and dining areas below. With three bathrooms serving the plan, the upper floor's bedrooms can each have ready access to washing facilities, useful for a household spread across multiple rooms. The modern finish carries through the interior, giving the kitchen, living, and sleeping spaces a consistent look from room to room.
